Engimach 2023: Setting the Stage for India's Manufacturing Excellence

[Ahmedabad, 30th October 2023] — The 16th edition of ENGIMACH, the marquee biennial trade show for technology and innovation in engineering machinery, manufacturing and automation is slated to be held from 6-10 December at the Helipad Exhibition Centre, Gandhinagar, Gujarat.

In step with the unstoppable march of the Indian economy towards its avowed target of **USD 5 Trillion by 2026-27**, the 16th ENGIMACH will provide a much needed platform for the tripartite meeting of the suppliers of the best-in-class manufacturing tools and technologies, the top buyers and influencers of the end user manufacturing industries, as well as the policy makers in the industry and government.

ENGIMACH 2023 officially recognized as a **PRE-VIBRANT GUJARAT EVENT** will help to identify, showcase and promote the latest developments and innovations in modern manufacturing technologies and automation essential to the success of **'Make in India'** for India and the world!

The earlier edition in 2021, also designated a Pre-Vibrant Gujarat Event, was inaugurated by Shri Bhupendrabhai Patel, the Hon'able Chief Minister of Gujarat, featured 427 Exhibitors from 15 Exhibiting Countries, attracted 72,503 Visitors and generated business inquiries worth approximately INR 1,545 Crores. This despite being held in challenging post-Covid times when the discovery of the Omicron variant had begun to cause concern!

The 16th ENGIMACH to be held in better climate of Health and Economy promises to set new records! Particularly because this edition features several highly attractive concurrent shows such as Casting & Foundries Expo, Vibrant Gujarat Startup Conclave & Exhibition and India Smarttech Manufacturing Conference & Exhibition.

The CASTINGS & FOUNDRIES EXPO which will create synergy between manufacturers of engineering products and castings as both buyers and seller of castings will be at the same venue as exhibitors for 5 days! Secondly the VIBRANT GUJARAT STARTUP CONCLAVE & EXHIBITION will bring the enthusiasm and energy of young entrepreneurs and their innovations! Again, the INDIA SMARTTECH MANUFACTURING CONFERENCE & EXHIBITION will feature numerous distinguished international thought and industry leaders as speakers and they will enlighten the participants about the latest in use of Information Technology in modern manufacturing.

The 16th ENGIMACH will be spread over a whopping 72,000 square meters of gross exhibition area and 12 centrally air-conditioned halls. It will feature 1200+ confirmed participants including 200 innovators and a display of 100,000+ innovative products. Further 100 Global Speakers are slated to feature in 50 Tech Seminars! 50 International buyers are likely to participate in the supporting programs like the Buyer Seller meets.

Conservatively 100,000+ visitors are expected at the 16th ENGIMACH making it a mega technology showcase! It will bring together the best and brightest minds from the manufacturing and engineering sectors and be an exemplary showcase of ideas, innovation, and cutting-edge technology, fostering a vibrant ecosystem where industry leaders, stakeholders, and enthusiasts converge, collaborate, and celebrate the world of manufacturing.

Altogether, the 16th ENGIMACH is truly an unmissable opportunity for those looking to the future of Indian manufacturing. In fact, the 16th Engimach is more than just an exhibition; it's an opportunity to witness and participate in India's exciting journey towards becoming an economic powerhouse and a global manufacturing hub.

Mark your calendars, and join us at The 16th Engimach to explore the infinite possibilities in manufacturing and engineering.
